DEDICATION

This publication is dedicated to the memory of Barry Gold. A highly regarded attorney specializing in health law, Barry was a partner with Thuillez, Ford, Gold & Johnson, LLP (Albany).

Barry worked closely with NYHIMA for many years, offering us his friendship, his guidance in legal matters, and his medicolegal expertise. NYHIMA and its members statewide benefited from Barry's vast knowledge and his professional contributions. He performed the legal review necessary to enable the publication of prior editions of the Medicolegal Manual. Barry was a speaker for NYHIMA on medicolegal issues.

It is a privilege to have known him and his work will be long remembered. NYHIMA honors the memory of Barry Gold who we are proud to have called our friend.
