

## OUTSTANDING ACHIEVEMENT AWARD

The Outstanding Achievement Award is presented to a senior student in a CAHIIM Accredited Associate or Baccalaureate HIM Program. The nominee should be selected by a faculty with approval from the Program Director. Criteria for selection is based on superior scholarship, integrity, initiative, enthusiasm, and demonstrated professional potential. The nominee should be a student member in good standing of NYHIMA and be planning employment in the profession following graduation. **[If you're unsure of a nominee's status, please contact the Central Office.]**

Please type or print clearly, we must have correct spelling for inscription purposes.

**May we contact the recipient in advance of graduation date:**

<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

NYHIMA requests that announcement of this award be submitted for publication in your institution's 2018 graduation program. This gives further recognition to the recipient and heightens awareness of both our educational programs and the profession.

## CLINICAL PRECEPTOR AWARD

This award is presented in recognition of the efforts of outstanding clinical preceptors. The director of each program may nominate one individual to receive this award. The nominee should be an active member in good standing of NYHIMA. **[If you're unsure of a nominee's status, please contact the Central Office for verification.]**

Please type or print clearly, we must have correct spelling for inscription purposes.
