This presentation will cover how the US system is now moving toward rewarding value. The Affordable Care Act and the Medicare Access and CHIP Reauthorization Act of 2015 (MACRA), set the stage for value-based payment in Medicare. Many private insurers are following Medicare's lead and multiple inpatient and outpatient value-based purchasing (VBP) programs have been implemented. 1 CEU (Clinical Data Management) | | CAYUGA & SKANEATELES |
